

Cable Termination Data Questionnaire

Standard

(Example: CAN/CSA, IEC, IEEE or other project-specific standards)

Quantity Required

Shipping destination

Type

(Example: outdoor, free standing)

Rated maximum voltage (kV)

Rated maximum line-to-ground voltage (kV)

Rated lightning impulse withstand voltage 1.2 / 50 μ s (kV)

Rated power frequency withstand voltage (kV)

Frequency (Hz)

Thermal short circuit current 1 sec (kA)

Applicable conductor section (mm²)

Max. conductor diameter (mm)

Diameter over cable insulation range (mm)

Min. Creepage distance (mm)

Min. Flashover distance (mm)

Temperature range (°C)

Altitude (m)

Cable data sheet

Please include any additional information that may help RHM review your request.
